CHEMBLUE™

Premium Chemical Cure Tire Repair Units

Five-Year Shelf Life

CHEMBLUE™ patches have a five-year shelf life. Don't worry about your patches expiring before they are used.

Fast-Drying

CHEMBLUE™ Cement dries faster than competitive products, allowing you to perform repairs more efficiently.

High Heat Tolerance

Retains its high adhesion properties in hot warehouses, climates and service trucks. Keep your customers safe and your inventory ready to use.

CHEMBLUE™ by Patch Rubber Company

Radial Passenger & Truck Tire Repair Units

Used to repair puncture and section injuries in passenger, light truck and heavy-duty truck tires. Apply with CHEMBLUE™ Cement 16260.
